

We get Geeks.

Did you know you can watch the entire "Star Wars" collection in 1 day, 15 hours, and 30 minutes, including the 1978 Holiday Special, two Ewok TV movies, and the Ewok animated series? Something to ponder when spending countless hours with your relatives in the coming weeks...

Your friends at Geeknet would like to extend warm wishes to you and yours for a happy holiday season.

In the New Year, we will introduce you to the many ways we can connect your brand with the global geek community; a remarkable group of active, affluent, and influential people.

We are Geeknet. We get Geeks.

Happy Holidays!
